

Pizzeria Bocce Cottonwood

Think of this indoor-outdoor restaurant in Old Town Cottonwood as the "Pizzeria Bianco of Yavapai County." Owners Eric and Michelle Jurisin opened Bocce - their sixth Arizona restaurant - last July, focusing on creative salads, Napoli-style wood-fired pizza and signature cocktails. You can't go wrong with the Americano: a 12-inch pie topped with sweet tomato sauce, spicy pepperoni, chunks of hand-stretched mozzarella and fresh basil. Whatever pizza you choose, don't skip the Fork & Knife Caesar salad - possibly the best Caesar in Northern Arizona. The romaine lettuce, crostini and parmigiano are topped with a creamy lemon dressing and anchovies by request. 1060 N. Main St., 928-202-3597, bocce@cottowood.com
